RE: LARC 60 Maintenance Area
Work Plan Addendum
Treatability/Feasibility Study

Dear Ms. Bateman:

Thank you for supplying the update for Fort Story, LARC 60 Treatability Study. DEQ has reviewed the supplied addendum and has no comments at this time. Please advise this office when the scheduling for the additional injection has been completed.

In addition, it was our understanding that the petroleum tanks located near this project site where scheduled for removal in the near future. Has this project commenced and/or been completed? If you require any additional information regarding this project, please contact me at 804-698-4261.

Thank you

Tony Patrell
Project Manager
Office of Remediation Programs
